

TiE Mumbai announces TiECon Mumbai 2023

Unboxing India 3.0 – Anti fragile | Conscious | Innovating

Mumbai, 31 May 2023: TiE Mumbai has announced the 16th edition of its flagship conference - **TiECon Mumbai** which will be held on the **2nd of June 2023** at the prestigious Jio World Convention Centre. BKC - India's largest and first state of the art Conference and Exhibition center. India stands at the forefront of a significant transformation that has caught the attention of the world. The country's focus on high-tech manufacturing, digital technology, knowledge capital, life sciences, and tech entrepreneurship has positioned it to lead the global revolution in a significant way. Given the current dynamic scenario of entrepreneurship in India, this year's conference will be based on the theme "**Unboxing India 3.0 – Anti fragile | Conscious | Innovating**".

Ranu Vohra, President – TiE Mumbai said “India is poised to play a pivotal role globally, becoming the epicenter for High Tech Manufacturing, Supply of Knowledge Capital to the world, and providing the – fastest growing market for digital consumers. We want to explore these facets of India 3.0 and articulate the role of Startups and new age (tech & digital) businesses in developing this landscape. The environment of the last year including big moves in generative AI and environmentally friendly technologies have presented a large opportunity for Indian entrepreneurs. At TiECon 2023, we intend to introspect & go back to basics and recalibrate business models for them to stand the test of time. We further want to rethink business and fund-raising strategies and hence create more robust companies.”

TiECon Mumbai is the largest Entrepreneurial conference in the West of India, and it attracts all the key Industry Leaders from Mumbai and India, Startup Founders and Investors. TiECon sees close to 3000+ people attending the conference. At the conference, TiE Mumbai is all set to take the plunge and capture the momentum of businesses that are emerging and thriving through the disruption cycles. It will investigate the nuances of the current global and technological disorder that is shaping a new mindset and breed of startups who are emerging stronger from these disruptive cycles.

“The focus of the conference is to integrate all the ecosystem players in the conference and dwell deeper into conversations on building efficient businesses and models that shall pave the way for a more mature industry. TiECon 2023 will attract around 45+ India's leading Unicorns and the key focus of the conference would be \$10T GDP, 850+ Soonicorns - Understanding their Journey, Emergence of Indian Decacorns, G20 opportunities, Unit Economics & Profitability in Ushering Amrit Kaal, New Horizons - AgriTech, HealthTech, Climate Action, FinTech & Smart Living, Innovate for India, Open AI/Chat GPT.” said **Dr. Apoorva Ranjan Sharma, President Elect, TiE Mumbai**

The upcoming conference seeks to explore the shifting landscape of digital consumption and lifestyle, examining critical issues such as the transformative impact of start-ups on consumer habits, the rise of seamless convenience, the increasing volume of transactions across sectors, and the pressing need to

upskill talent to meet the demands of the rapidly evolving market. It would thus provide a comprehensive understanding of the current market trends and help businesses stay ahead of the curve.
