

Ranu Vohra & Apoorva Ranjan Sharma bullish about TiE Mumbai's role in strengthening the Startup ecosystem

TiE Mumbai has been instrumental in bringing in tremendous transformation, new energy with strategic vision and direction to foster entrepreneurship in the ecosystem. Over the last couple of years, TiE Mumbai has amplified its service to entrepreneurs and startups by 3X creating meaningful value to emerging businesses. Its role in the current environment is at a crucial juncture that will help shape the path of the Startup industry. With new energy and new leaders at the helm, TiE Mumbai continues to foster new economy businesses towards a stronger and brighter future both at the Startup Stage and the Growth stage.

Commenting on the road ahead, Ranu Vohra, President, TiE Mumbai said

"Today's environment needs founders who are nimble, persistent and are constantly innovating to move to the next orbit. This would ensure robust businesses delivering products & services that are impactful and during this journey, redefining consumption of digital, shaping lifestyles of the future and leading economies to inclusive and sustainable progress. We at TiE Mumbai, while being focused on the start up ecosystem, are also keen on using Mumbai's position as the financial capital to develop a large pool of investors from around the globe for this ecosystem. We shall soon announce programs to deliver this!"

Dr. Apoorva Ranjan Sharma, President elect, TiE Mumbai added, "We are witnessing a staggering growth momentum in the Startup sector in

India. TiE Mumbai, looks forward to continue this momentum with a focus on structured mentoring thus adding value to the various stakeholders by fostering entrepreneurship, boosting innovation, knowledge sharing and funding."

The Startup ecosystem is thus well poised to boost momentum and drive innovation. Building on this, TiE Mumbai's flagship conference - TiEcon, slated to be held on 1st and 2nd of June 2023 at the prestigious Jio World Convention Centre, BKC, will be themed "Unboxing India 3.0 - Anti

fragile | Conscious | Innovating". The key focus of the conference will be the 850+ Soonicons, Digital Infrastructure, Emergence of Indian Decacorns, innovate for India and will
